

Proposed topics of conversation for meeting July 12, 2013 and July 16, 2013

- Organization – generally and on an individual level for all regulations
  - Overhaul of layout –
    - Macro: new sections, divisions
    - Micro: smaller sections for readability
- Definitions
  - If it's in the General Laws, does it need to be in the Regs?
  - Restaurant
  - Private residences
  - References to Commission, Board, ABCC, Licensing Authority
  - Common victualler -
  - Bar rail
- Generally: changing shalls to wills, legal jargon, etc., and removal of the word permit
- Completely New or Overhauled Regs:
  - Conditional approval
  - Precise plans required
  - License required for alcohol
  - Sunday brunch
  - Police details
  - Cessation of operations procedure
  - Application procedure
  - Hours of operation
  - After hour employees
  - Service limited to licensed premises
  - Extension of the premises to exterior
- Completely Deleted Regs:
  - 48: redundant (see 62)
  - Applicability regs (for readability)
  - Fireworks
  - Refuse removal
- Questions:
  - TIPS certification for retail employees
  - Employee lists for retail?
  - Manuals, written policies
  - Generally – what is actually required v. required by regulation
  - Service of alcohol to people in bar stools and approved areas
  - Preamble – make sure it reflect the proper tone, need input
